Thank you for your co-operation as we continue to respond to the challenge of the coronavirus.

Arriving at school - I would like to thank all the parents / guardians for your co-operation in the morning when escorting your child (ren) to school. I would like to commend the children for being so organized and mature when they transfer to the school campus, we find that this arrangement positively affects their behaviour and their willingness to learn in classes. **Remember to arrive before 9 o'clock.**

Many thanks to all pupils and staff - the school day is very different since September with the pupils having to stay in their contact groups throughout the day, this is a challenge for the school community in ensuring that the children stay apart during lessons, during breaks and at lunchtimes. I would like to thank all pupils for their special efforts and to the staff for implementing and monitoring the arrangements so effectively every day.

Collecting children at the end of the day – The collection of pupils at the end of the school day is working well. However make sure you cross the road to the school side to collect your children. Sometimes I notice that some of you are waiting on the cycle path and waiting for the children to cross the road to come to you.

IMPORTANT – Using Teams - we want to ensure that every pupil from Nursery to Year 6 has access to activities set by school staff should an urgent closure be required. **IF YOU DON'T HAVE ACCESS TO TEAMS YET THEN YOU NEED TO TAKE ACTION.** If you require support with computer equipment or internet access then please email your child's teacher so we can arrange help. If you are unfamiliar with Microsoft Teams, here are a few links to explain:

Parent Pay - I notice that 87% of you are registered with Parent Pay. The system is currently being used for the payment of lunch money. In the future this system will be in place to collect any money to do with school such as paying for school trips or any other expenses. I would therefore like to remind you that you need to register on the system following the instructions you received at the beginning of term.

Annual Meeting of the Parent Teacher Association - this year's meeting will be held on Zoom at 6.30 on Wednesday the 21st of October. If you would like to join the meeting, please email crha.ysgol.gymraeg@gmail.com to receive the login details.

If you have any concerns about your child's education then please contact me immediately
